Meta description	Bring intake, approvals, sourcing and supplier onboarding into one workflow. JAGGAER procurement orchestration software works with your ERP. Book a demo. (153 chars)

Additional notes

Layout	Use the landing page layout to create content accordingly.
AI claims	Keep AI as a section, not the page positioning. Confirm any "AI agents handle intake, sourcing and approvals" or "agentic" wording with product marketing before publishing.
Competitor context	Zip ranks #1 and Oro #6 for "procurement orchestration" with dedicated pages, while JAGGAER sits near position 36 in Search Console.
